About BIMA

In just its first 10 years, BIMA has

The Museum's galleries, auditorium, BIMA Bistro, Museum Store, and plaza buzz with a loyal Island and Kitsap County audience and culturally curious visitors from throughout the region and world.

Located a stone's throw away from the Bainbridge Island ferry terminal, and at the first intersection after disembarking, BIMA is the gateway to Bainbridge Island and beyond.

BIMA believes art is for everyone and is committed to provide free general admission to the Museum every day.

Exhibitions

BIMA's exhibitions feature recognized masters and emerging artists that are sure to leave you inspired by their striking work and thought-provoking themes. All of BIMA's exhibitions change three times per year (that's 15-20 new shows to experience annually!), so there is always something new and exciting to experience in the Museum's galleries.

Education

BIMA actively delivers its artistic vision through a variety of exhibitions and education, cultural, and community programs. The Museum's Arts Growth Initiative focuses on advancing its multi-pronged educational program, including field trips for students throughout the region during the school day, hands-on art projects for curious makers of all ages, summer camps, opportunities for adult learners, and Creative Aging programs, connecting seniors and vulnerable individuals through vibrant arts-based activities.

Public Programs

Audiences gather at BIMA more than 300 times per year to celebrate, remember, dance, engage in conversation, learn, share ideas, and listen at the Museum's diverse programmatic offerings. Events vary from year-to-year depending on the themes BIMA is exploring. Annual favorites include the Within/Earshot Jazz Festival, the Untold Stories lecture series, a hugely popular *Día de los Muertos* celebration and *ofrenda*, year-round film programs, the Black History Month Soirée, First Fridays, and a month filled with Winter concerts, events, and holiday markets.

Treasure Trek

Presenting Sponsor \$10,000 (1 available)

Supporting Sponsor \$2,500 (3 available)

In honor of BIMA's 10th Anniversary year, the Museum launched the Treasure Trek: A Glass Float Seek-and-Keep scavenger hunt that had all of Kitsap County buzzing. Two hundred hand-blown glass orbs were hidden on public lands across Kitsap County just waiting to be discovered and treasured by intrepid art lovers.

The program was such a success that BIMA is making it an annual tradition that gets all of the county engaged in art in a fun, new way. Working in partnership with Tacoma youth development non-profit Hilltop Artists, young glassblowers create the balls, or "floats" (inspired by the glass fishing net floats used by Japanese fishermen). Floats are hidden in parks, on trails and beaches, and other public lands across the county in partnership with Kitsap County Parks Department, City of Poulsbo Parks & Recreation, and Bainbridge Island Metro Park & Recreation District. The rules are simple: you find it, you keep it—however we ask that finders just keep one.

The Treasure Trek gets the most expansive coverage of BIMA's programs and is a great way to connect your business to arts lovers, outdoor lovers, families, and adventurers across all of Kitsap County and beyond in an event that has the whole West Sound buzzing!

Youth Programs

Field Trips & Summer Camps

Annual Program Sponsor \$2,500 (5 available)

BIMA actively delivers its artistic vision through a variety of educational programs. In particular, the Museum focuses on advancing its multi-pronged educational program through field trips for students throughout the region and summer day camps. BIMA's art-based learning opportunities spark curiosity, foster critical thinking, and bolster creativity.

Designed to support Washington state and federal learning standards, our **free** school field trips and educator programs provide accessible, high-quality arts education for all learners in Kitsap County and beyond. There is no cost for guided field trips, and thanks to sponsors like you, a bus transportation subsidy may be available upon request.

BIMA's summer camps are a popular "go-to" activity for Bainbridge Island families. Offered at a variety of age ranges and interests, these programs engage young artists in themes such as comics, art and environment, bookmaking, and architecture. BIMA even offers a week of Spanish dual-language camp. Scholarships made possible through generous corporate sponsorship.

Reach hundreds of Bainbridge Island, Kitsap County, and regional families by sponsoring BIMA's engaging youth programs.

Figure Drawing

GO Figure! and Drink & Draw

Annual Program Sponsor \$5,000 (2 available)

BIMA offers a range of opportunities to hone one's artistic craft or try something new. Participants practice drawing skills at weekly GO Figure! life drawing sessions with a live nude model in the BIMA classroom. For those who are looking for something less formal, our popular monthly Drink & Draw program, hosted right next door by Bainbridge Brewing Alehouse, invites art dabblers to come for a drink and stay to draw during a fun, free, clothed-model session open to anyone 21+. Participants work from a model, regardless of experience, with all materials provided.

These longtime BIMA programs invite adults to discover, develop, and celebrate the skills of great artists.
