Welcome!

Dear BIMA Supporter,

We are fortunate to have this beautiful art museum here on Bainbridge Island. It is a special treasure and wonderful addition to our community.

The best part is BIMA offers free admission to everyone, seven days a week.

In the last three years, BIMA has hosted over 50 amazing exhibits of regional art and craft and welcomed over 200,000 visitors.

We need your help to keep the Museum free and accessible, to support changing exhibits, educational programs and community partnerships. We are thrilled however you choose to support the Museum — as a member, docent, volunteer, donor, bistro-goer, event-attendee, movie-watcher, gift store-shopper, or as a visitor.

As one woman said to us, “There are many of you who have the ability to build a beautiful home and fill it with interesting pieces of artwork. Creating the Bainbridge Island Museum of Art gives many of us the opportunity to visit regularly and see unique and new pieces of artwork. This is truly a gift to us!”

Thank you for joining all of us who support the Museum’s largest annual fundraising event to preserve this community treasure!

One-on-One Screenplay Development with Dura Temple Curry

Screenwriting is a very specific art. If you have written, or would like to write, a screenplay, I will guide you to the industry accepted format, the key to strong structure, characters, and dialogue.

Ideally, the first session will be either going over a screenplay you have already written or discussing one that you would like to write. I will then prepare notes to be given to you as you write your outline or re-write your screenplay. The second session will be assessing what you have created based upon my notes. Each session will be from one to two hours, as needed. As Vice President of Development at MGM/United Artists, I have extensive development experience. Films created during my tenure include the resurrection of the James Bond franchise (“Goldeneye”), “Braveheart,” “Rob Roy,” and many others.

Mutually agreed upon dates, two sessions

Experience Southern Luxury and Charm in Savannah, Georgia

Two guests will spend 5 nights at the Mansion of Forsyth Park. This Kessler Collection boutique property—with AAA Four-Diamond distinction—is the city’s most recognized, iconic hotel. Renovated and reopened in 2015 by Savannian and avid art collector Richard Kessler, Mansion on Forsyth Park is a work of art unto itself.

Trip includes a private tour through the real-life locations behind the Savannah-based story Midnight in the Garden of Good and Evil by John Berendt. Explore the pages of this Southern novel as you journey through oak tree lined parks and cobblestone streets enjoying a special look at Savannah’s eccentric history. This total Savannah experience will be led by a guide in full character—seersucker suit, bow tie and Panama hat, and includes lunch.

Also included is a private tour of Savannah’s Telfair Museum, the oldest public art museum in the Southeast. The Museum’s three sites—two National Historic Landmarks and the Jepson Center, a contemporary Moshe Safdie-designed building—are located within easy walking distance of one other in Savannah’s vibrant historic district. Lunch is included.

Check-In/Registration
Upon entering BIMA for either Friday or Saturday night auctions, you will receive a bid number. Please use only the bid number assigned to you for bidding on silent and live auction items.

Silent Auctions
Silent Auctions will open per the published Schedule of Events (pages 11 and 31). The minimum bid and proscribed raise for each item is written on the bid sheet by the item. To be valid, bids must comply with these amounts and be legible.

To place a bid, write your bid number next to the bid amount on the bid sheet. Doing so constitutes a legal contract to purchase that Silent Auction item at the price you stated if your bid is the winning bid. The last (highest) valid bid entered at the moment the section closes will be the winning bid.

A Maximum Guaranteed Bid is stated on each bid sheet. By placing your bid number in this box, the bidding closes. The item is yours and will be available for pick up or delivery per instructions below (see Delivery).

The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Executive Director (representing the Auction Committee) shall act as final authority in determining the winning bid.

Live Auction
Live Auction bidding will begin according to the published Schedule of Events. When bidding, please hold up your bid number toward the auctioneer. The Live Auction will continue until all items are sold.

If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.

A bid acknowledged by the auctioneer is a legal contract to purchase the item.

Confidential Absentee Bidding
All Saturday auction ticket holders are eligible to place absentee bids on any auction items. Eligible absentee bids must be placed using the Absentee Bid Form. This bid form will be available during the Friday Night Event (Friday, June 10, from 6pm to 9pm) or upon request. Absentee bids for the silent auction items will be placed 20 minutes after the doors open for Silent Auctions. Bids are kept and placed by a small (confidential) team. The bidder will be notified within 24 hours if their bid wins the item(s). Live Auction absentee bids can be placed by a dedicated BIMA staff person or volunteer who will bid in increments (up to your maximum amount) as requested by the auctioneer only following another legitimate bid from an auction attendee. Absentee bids are kept confidential. For inquiries regarding absentee bids, please contact Greg Robinson at greg@biartmuseum.org, or 206.979.1640 (cell).

Payment
All items must be paid for by the end of the evening unless other arrangements have been made at check-in. For your convenience, we provide an Express Pay option so that you may pre-register your credit card. We gladly accept Cash, Check, MasterCard, Amex, and Visa.

Pick-Up
Once you have paid for your items, you will be issued a receipt. Please present this receipt at Pick-Up to claim your winning tangible items and/or certificates for experiences.

It is the responsibility of the purchaser to remove his/her winning item(s) from BIMA within 3 days of purchase, unless prior arrangements are made for delivery (see Delivery).
**Terms of Sale**

Unless otherwise noted, all certificates for goods and services must be used within one year of the auction date. All items and services are subject to the terms and conditions specified by the donors.

Potential bidders may request assistance to inspect auction items during the events. BIMA will have dedicated auction representatives for this purpose. All sales are final. There will be no exchanges or refunds. Bainbridge Island Museum of Art (BIMA) does not make any expressed or implied warranties or guarantees on auction items regarding quality or value of items. BIMA attempts to describe and catalog all items correctly, but all items are offered and sold “AS IS” and “WITH ALL FAULTS.”

BIMA neither warrants nor represents, and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty for tax purposes or market value. Items have not been appraised unless otherwise noted.

Reservations for trips and vacation accommodations must be mutually arranged with the donor unless otherwise noted. No refunds will be allowed on travel packages for canceled tickets and/or accommodations.

By the buyer’s purchase, the buyer waives any claim for liability against BIMA, its elected and appointed officials, members and employees, sponsors, volunteers connected with the auction, and/or the donor of the item. Neither BIMA nor the donor is responsible for any personal injuries or damage that may result from the use of the property or services.

**Tax Information**

This catalog lists the fair market value of each item. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes. Please check with your tax advisor for specifics. BIMA will mail you an acknowledgement letter for your records.

**Delivery & Pick Up**

*(JUST LIKE ADMISSION TO THE ART MUSEUM – IT’S FREE!)*

We include free delivery within the Puget Sound region, and especially encourage it for any large or fragile items purchased. Simply ask about delivery at check-out, and arrangements will be made with you in the days immediately following the event.

Items may also be picked up between 10 am and 4 pm on Saturday and Sunday.

The Annual Art and Experiences Auction is BIMA’s largest fundraiser of the year. We rely on the proceeds from the Auction to fund our exhibitions (which rotate three times per year), educational programs, and operations. We are open 363 days a year with free admission.

Your tax-deductible gift enables BIMA to provide a vast array of opportunities to children, teens and adults to experience art including hands-on workshops, field trips, after school activities, chances to “meet the artist”, artists’ lectures, film series and seminars.

BIMA set an early goal to be a “living room” for the community and we have met that goal through our partnerships with nonprofit and civic organizations as well as with our wonderful BIMA Bistro which is always humming with activity.

We support artists in many ways — through our exhibitions and programs, and also by showcasing their work in our Museum Store. BIMA is dedicated to promoting and showing lesser known artists’ work from the Puget Sound area.

This year, the BIMA Board adopted a three-year strategic plan outlining major priorities for the Museum. One of our top priorities is increasing field trips for students in kindergarten to 12th grade. We believe (and research supports this belief) exposing children to art education provides benefits academically and socially.

BIMA has much to celebrate. In the past three years we have hosted over 80,000 visitors per year and serves as a major gateway for Bainbridge Island and the Kitsap and Olympic Peninsulas. BIMA has been named as one of the top small town museums in America by Travel & Leisure, CNN, and Fodors.
